Talk session – Collaborative skills assessment

	<p>It fully reflects my practice.</p> <p>(Provide examples of how this happens in your practice.)</p>	<p>It is ideal, but not as easy as it sounds.</p> <p>(Explain why you believe so.)</p>	<p>I wish I could say I do, but I really don't.</p> <p>(Think of possible reasons why you don't.)</p>
<p>I work actively with my peers by planning lessons together and making adjustments based each other's feedback.</p>			
<p>I invite my peers to take part in my classes whenever I need help or have something positive to share with them.</p>			
<p>I find that the constant exchange between myself and my peers is the best way to build a solid school culture.</p>			
<p>I seek and listen to my peer's feedback and try to incorporate their suggestions and ideas as much as I can.</p>
