Talk session with teachers – Setting goals for the future

Analysing the gains and losses

- *What I am taking with me to the following school year?*
- *What am I leaving behind?*
- *What were the challenges I learned most from? What have I learned with them?*

Planning the following year

- *What is the most important aspect to plan for next year?*
- *What is your main goal for the next school year?*
- *What would you like to do to improve your professional skills?*
